Subject: July Agenda
Date: Sunday, July 05, 2015 7:09:42 PM

Just a reminder. I need ALL motions and associated documentation for anything which is to be included in the July agenda. I need them by the end of business tomorrow (Monday, July 6, 5:00 PM). Materials not received by this deadline will not be included.

To date I have received nothing from the committees. Please get this together, folks.
